Thanks for sharing, Alan, very helpful so please continue doing so.

Forest roads and landslides group assignments are a little tricky for me insofar as I have not made contact with Peter or Theresa and don't know what their understanding of work load/commitment. Since I would like to farm out letters to the group for review assignments, I'm wondering whether you have a sense of how much of their time I can count on. I don't want to burden you too much, but if you could share any insights with me it would be very helpful.

Regards,

Chris Solloway

Helen, Katie and Roberta,

I took a quick look at each Ag comment letter (identified in the spreadsheet) and based on its size and complexity (again, a very quick review), I've divided the letters up for review.

Helen and Katie, you will have two very difficult and comprehensive letters to review plus 12 fairly simple ones. Your letters are:

57 - NWEA - very big and very difficult
56 - Rogue River Keeper - also very big
The rest are one or two page letters generally:

12-
15-
19-
23-
28-
39-
44-
47-
49- Native Fish Society
51- Shell fish program - Alex Manderono
72-
74-Tillamook Bay

Ex. 6 - Personal Privacy

Ex. 6 - Personal Privacy

Roberta and I will review the following:

54 - Beyond Toxics
55- Ex. 6 - Personal Privacy
58- Oregon Wild
60 - Socially Responsible Ag Program
65- Water Watch of Oregon
64, 66, 68 - The same letter from three different individuals
71- Several Associations
73-Fresh Water Trust
78- Oregon Environmental Council
80-Oregon Association of Clean Water Agencies plus others
81- Ex. 6 - Personal Privacy
83- Audubon Society
84-Oregon Association of Nurseries

Please feel free to connect with each other if you have questions/concerns regarding issues you find during the review. I will set up a check-in schedule for us to get together to discuss how things are going. I am still working on the "Framework for Review". With any luck I will get it done today.

Feel free to contact me anytime you have questions.

Again, thanks so much for helping out with this review.
